

Beekeeping

Project Information Page

In this project, members will learn a wide range of valuable skills and knowledge related to beekeeping and the importance of bees in our ecosystem. Some of the key areas that members can expect to learn about in our beekeeping project include: bee biology and behaviour, hive management, pollination and environmental stewardship, safety and personal protective equipment and more! By participating in this project, you will have a hands-on learning experience that enhances knowledge in science, agriculture, environmental stewardship and entrepreneurship.

Project Requirements

- Attend project day (June 1)
- Complete Bee House Project
- Complete 4-H Project Page (*attached*)

4-H Year Completion

The following must be on display at the Club Achievement Day in order to complete the 4-H year

- Project Requirements as outlined above
- Member Documentation - 2 pages found in member portfolio including:
 - Communications Activity (*speech, demonstration or other*)
 - Community Service Activity
 - Agriculture Awareness Activity

Exhibition Item(s)

Members are invited to submit the following item(s) for competition/display in 4-H classes at PEI Fairs & Exhibitions.

- For this project, members are invited to submit their constructed bee houses.

General Reminders

- The **DEADLINE** for submitting project work / documentation for year-end completion will be at the member's Achievement Day. Special circumstances will see submissions accepted up until the second last Saturday in July.
- Only members in good standing (having checked the boxes above for 4-H Year Completion) will be eligible to participate in 4-H classes at Fairs & Exhibitions and in future opportunities for annual awards, travel & scholarships.
- The Provincial 4-H Website (pei4h.ca) is regularly updated with important program information.
If you have questions about this project or any other aspect of the 4-H program, Please contact your 4-H Specialist.
