

# Construction

## Project Information Page

In this project, members will learn a wide range of valuable skills and knowledge while gaining a hands-on experience with carpentry and woodworking tools, techniques and materials. They will learn how to measure, cut, shape and assemble different components to build functional and durable structures. They will also learn how to troubleshoot issues, find creative solutions and think critically to ensure the success of their projects. These projects help develop well-rounded individuals with practical skills and an understanding of the construction process.

### Project Completion Requirements

- Attend two out of the three Construction Project days (March 2, April 6 & May 4)
- Complete all steps to finish your Bat House, Toolbox, Go-Kart and Lobster Trap Projects on the respective project days
- Complete 4-H Project Page (*attached*)

### 4-H Year Completion Requirements

**The following must be on display at the Club Achievement Day in order to complete the 4-H year**

- The following must be on display at the Club Achievement Day to complete the 4-H year:
- Project Requirements as outlined above
- Member Documentation 2 pages found in member portfolio including:
  - Communications Activity (speech, demonstration or other)
  - Community Service Activity
  - Agriculture Awareness Activity

### Exhibition Item(s)

**Members are encouraged to submit completed project items for display OR competition in 4-H Classes at PEI Fairs & Exhibitions. Please check with your Project Leader or visit the website for more information.**

- For this project, members shall exhibit one item as created at one of the Provincial Construction Projects (inclusive of a bat house or toolbox, go-kart or lobster trap) – ***Please note, the lobster trap and go-kart will not be transported on the Exhibition Circuit due to their size, but members are invited to drop items off at the exhibitions in which they would like to participate.***

### General Reminders

- The Provincial 4-H Website (pei4h.ca) is regularly updated with important project information, however additional leader & member resources for this project may be available at the 4-H Office. Please contact your 4-H Specialist if you need assistance.
- The DEADLINE for submitting project work and portfolios for year-end completion will be the second last Saturday in July. Only members in good standing (having completed all the year-end requirements) will be eligible to participate in 4-H classes at Island exhibitions and/or apply or be nominated for annual awards, travel, and scholarship opportunities
