

Floriculture

Project Information Page - Spring Project

Member Name: _____

Leader: _____

4-H Year _____

The **Floriculture Project** encourages members to explore the fascinating world of flowers! What is the difference between an annual, a biennial or a perennial? How can you manage pests in your flower garden? Which flowers thrive in the sun? Members will engage in hands-on-activities to learn how to plant and care for flowers, while also exploring soil types, the anatomy of a flower, crafting floral arrangements and much more!

Project Completion Checklist (for Achievement Day)

- ☐ **Register for Spring Projects** (online at 4hpei.ca/projects - deadline April 30)
- ☐ **Create a garden plan** (must have copy in member binder)
- ☐ **Special Project** (documentation of special project in member binder - may include pictures)
- ☐ **Leader Inspection**
- ☐ **Fresh Flower Arrangement** (either wild or cultivated flowers)
- ☐ **Flower Display Box/Container** (max size 3'x3')

Junior Members (ages 9-14)

- Grow & exhibit **3-5** types of flowers (annuals, biennials or perennials), planted in a display box/container

Senior Members (ages 15-21)

- Grow & exhibit **4-6** types of flowers (annuals, biennials or perennials), planted in a display box/container

- ☐ **Project Reflection** (Pg 2)

PLEASE NOTE: Completion for Spring Projects will take place at the Dundas Plowing Match OR at Evangeline Exhibition. Members will need to have all requirements (as listed above) present at one of the these events to complete the project for the year. (Exhibition item is listed below)

4-H Year Completion

Along with finishing the Project Completion Checklist, members are reminded of the following year-end requirements. These tasks must be completed and documented on the member portfolio page before the Club's Achievement Day.

- ☐ **Communications** Activity (public speaking, illustrated talk or demonstration)
- ☐ **Community Service** Activity
- ☐ **Agriculture Awareness** Activity

Exhibition Entries

- ☐ **Fresh Flower Arrangement** (with wild or cultivated flowers)
 - Members are invited to submit the Fresh Flower Arrangement created for project completion for competition/display in 4-H classes at PEI Fairs & Exhibitions. The Display Box/Container may also be on display in 4-H Exhibits.

Many thanks to Veseys Seeds for supplying seeds for this project

Project Reflection Page
